PROPOSED HOME IMPROVEMENT INFORMATION

Describe the proposed home improvement change, or addition, including materials to be used and the similarity to existing structures. Attach separate sheets of paper if necessary.

Attach drawings showing all proposed improvements, including relationships to existing structures and lot lines. Two (2) or more drawings are required as follows:

- (1) Plat Plan: "top down" map drawn on a copy of your survey
- (2) Elevation: "side view" drawings, one or more as necessary

Since the Architectural Review Committee will provide your neighbors an opportunity to comment on your proposed improvements, please obtain the signatures of all property owners (1) having common lot lines with your property, and (2) all property owners who would reasonably view your improvement from their properties, acknowledging their concurrence with your project.

NEIGHBORS ACKNOWLEDGEMENT I acknowledge that the requesting homeowner has shown me the details of the proposed improvement described herein and that my signature represents my concurrence with the project.

RESTRICTIVE COVENANTS Many homeowners may not be familiar with the restrictive covenants that govern the land in the Villages of Brentwood. This will mention a few, but is not intended to be an exhaustive list of covenants. The material below can be found at Book 6143, page 11 et seq., in the office of the Metro Register of Deeds or on our website at www.villagesofbrentwood.com

"No building, fence, wall or other structure may be begun or altered (including a change of color) until plans and specifications showing the "nature, kind, shape, height, materials, and location of the same have been submitted to and approved by the Board of Directors or the Architectural Review Committee"
